

SajiloRent — Tenant Guide

Your monthly bill, payment status and notices in one place.

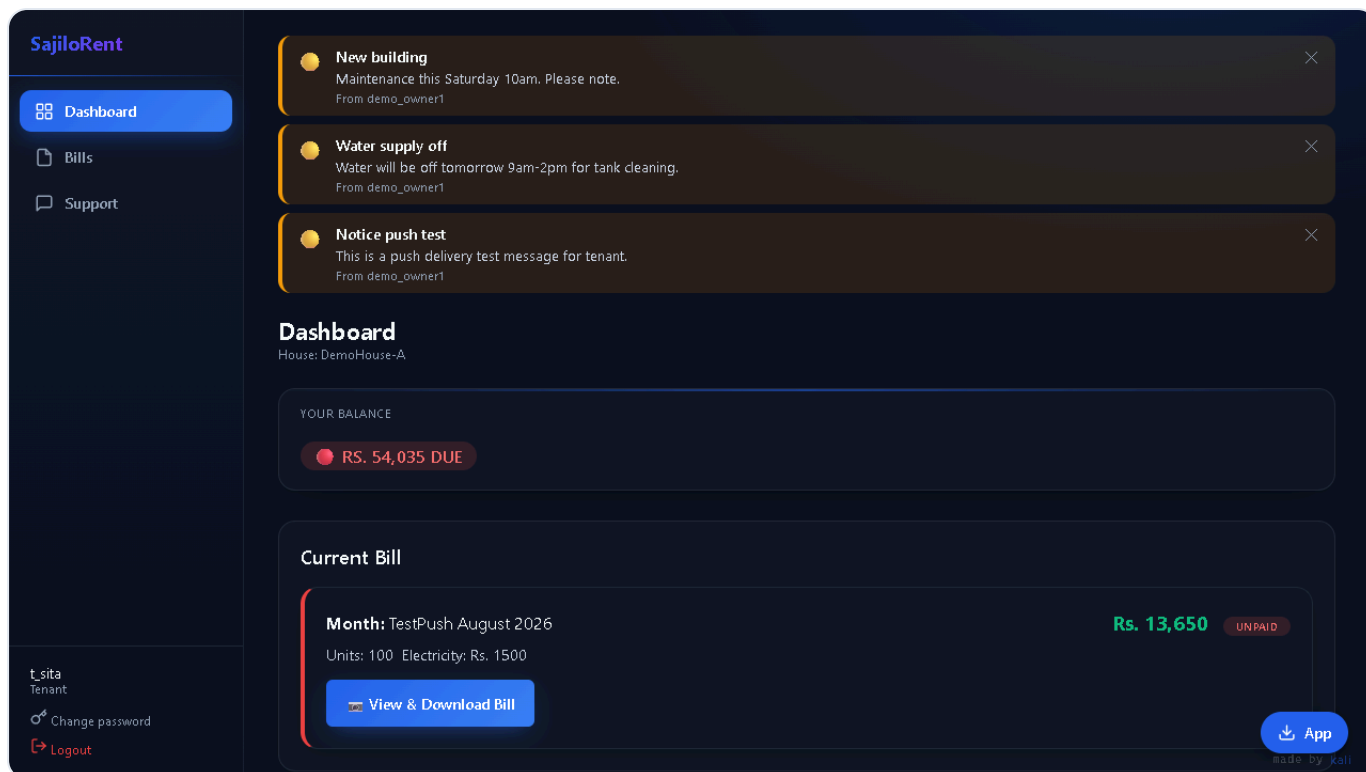

1. Log in

Open the app (or the website) and sign in with the username and password your owner gave you.

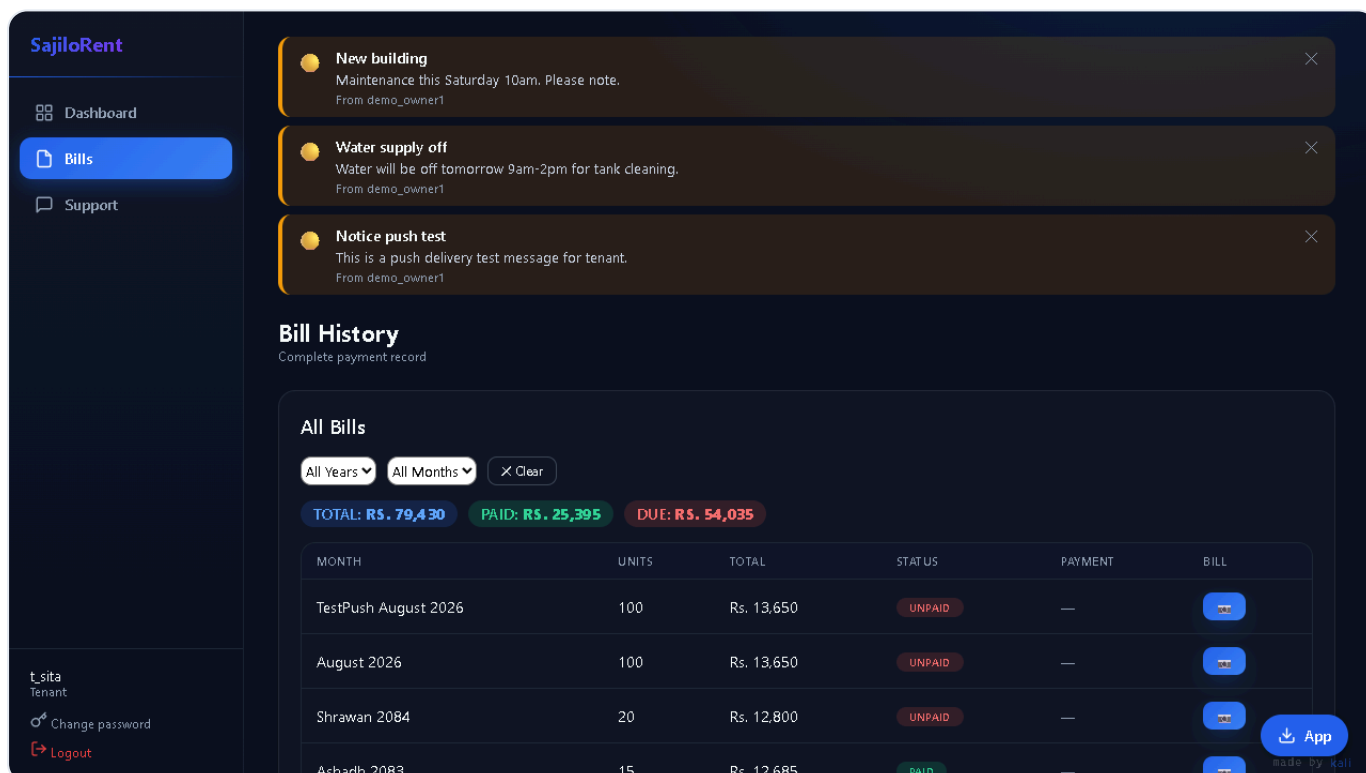

2. Your current bill

See this month's bill with units, rent and total — as soon as your owner generates it.

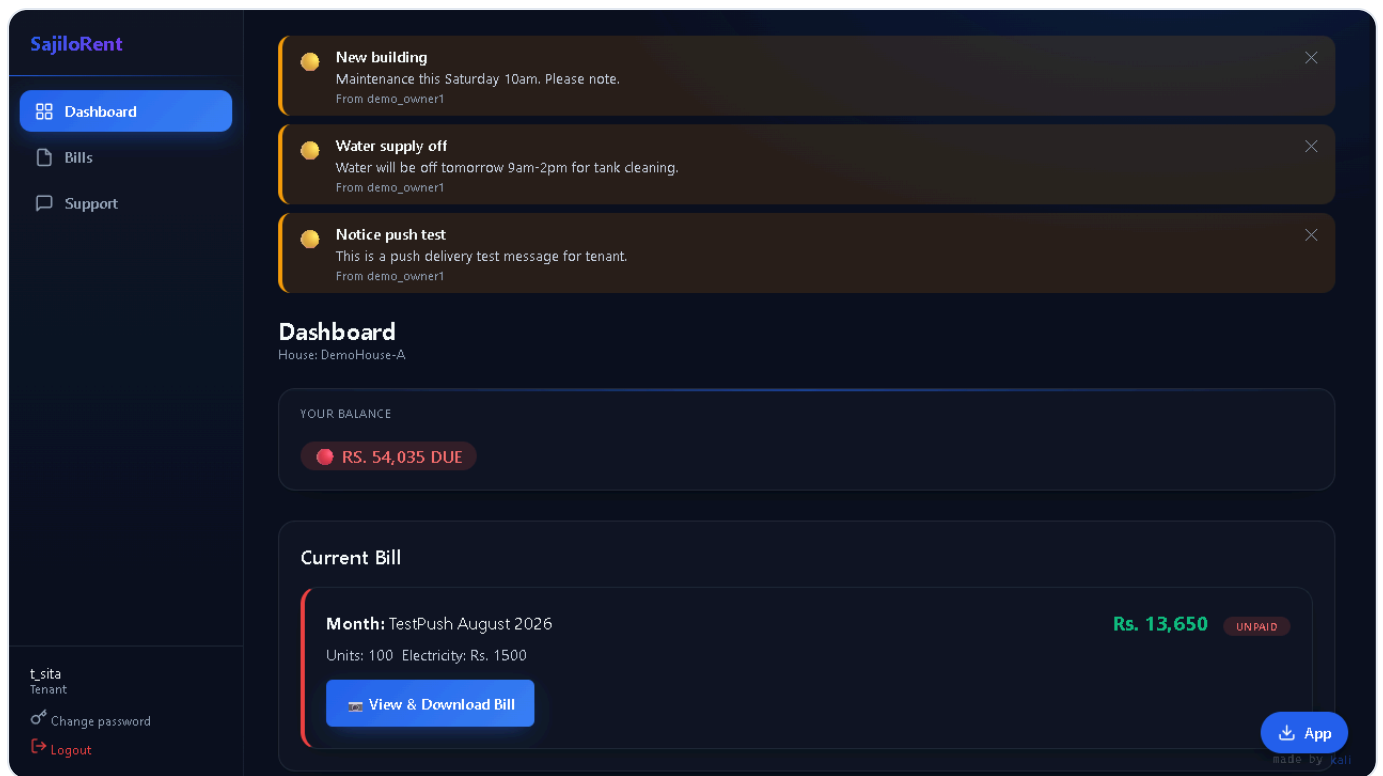

3. Payment & history

Track your payment status and view all past bills in one place.

4. Owner notices

Messages from your owner appear here the moment they are posted.

Quick start

- Log in with the tenant username we gave you
- Your current bill appears as soon as the owner generates it
- View past bills in History
- Owner notices appear instantly in the Notices tab
